DIPLOMA OF INTERIOR DESIGN AND DECORATION

This Nationally Accredited Diploma of Interior Design and Decoration will provide you with the practical skills and knowledge to thrive in the design industry and build a successful career as an Interior Designer. You will learn to create design concepts, communicate ideas confidently and deliver comprehensive and well-resolved interior schemes. Defining soft furnishings, room layouts, specifying colour, styling interiors and illustrating your ideas for both residential and commercial design projects. Gain technical skills in AutoCAD, sound knowledge in architectural history, hard materials and construction. Resulting in an extensive portfolio, essential industry contacts and the confidence to succeed as an interior designer. This course will immerse you in creativity at our custom made campuses in Sydney or Melbourne or via our interactive online platform.

CAREERS IN DESIGN

After completing the Diploma of Interior Design and Decoration, graduates go on to successful design careers in;

- Residential or Commercial Interior Design or Decoration
- Residential Styling/Real Estate

- Styling
- Soft Furnishing Consultant
- Colour Consultant

LEARNING OUTCOMES

- The ability to generate ideas and concepts to create decorating solutions for interior spaces including materials and finishes, furniture layouts and materials boards for client presentations
- An understanding of client analysis and expectations for design projects including project coordination, fees and scheduling
- An extensive knowledge of colour theory and its application to design including interior scheming, finishes and the effects of lighting in interiors
- In-depth knowledge of soft furnishings, furniture and spatial design
- The ability to confidently source and style furniture and accessories in response to a client brief
- The ability to produce architectural drawings including perspective drawings, drafting and rendering and AutoCAD to communicate concepts
- Examine two and three-dimensional spatial planning
- Understand the hard materials and techniques used in the construction of built environments

PAYMENT OPTIONS

You can pay for your course upfront or by instalment plans. Alternatively VET student loans are available.

VET STUDENT LOANS

VET Student Loans are available to domestic students who wish to study the MSF50213 Diploma of Interior Design and Decoration. Academy of Information Technology (AIT) RTO code 90511 trading as iscd delivering MSF50213. VET Student Loans are provided by the Australian Government to assist eligible students in the payment of part of their tuition fees. Eligibility criteria applies. For more information go to www.studyassist.gov.au. The Full Course fee is \$17,280. The VET Student Loan amount is up to \$10,000 and therefore there is a gap paid by the student to iscd (paid in instalments over the duration of your study). VET Student Loans will not be approved for students who do not meet eligibility requirements. A VET Student Loan gives rise to a HELP debt that continues to be a debt due to the Commonwealth until it is repaid. For more information go to www.studyassist.gov.au.

UNITS OF COMPETENCY*

DESIGN PROCESSES

- BSBDES302 Explore and apply the creative design process to 2D forms
- CUAILL401 Develop and refine illustrative work
- BSBDES401 Generate design solutions

COLOUR FOUNDATION

- BSBDES301 Explore the use of colour
- CUAACD401 Integrate colour theory and design processes

DESIGN METHODS

- BSBCRT402 Collaborate in a creative process
- BSBDES303 Explore and apply the creative design process to 3D forms

DESIGN HISTORY

- BSBDES305 Source and apply information on the history and theory of design
- MSMENV272 Participate in environmentally sustainable work practices

DRAWING + RENDERING

- CUAACD303 Produce technical drawings
- CUAACD301 Produce drawings to communicate ideas

APPLIED COLOUR

- MSFID4001 Research, analyse and apply colour for interior spaces
- MSFID5009 Research and recommend colour and applied finishes

SOFT FURNISHINGS

- MSFID4003 Prepare a materials board for client presentation
- MSFID4005 Research and recommend soft furnishings for interiors

DESIGN INDUSTRY PRACTICE

- MSFID4011 Determine work, health and safety (WHS) implications of interior effects
- BSBDES304 Source and apply design industry knowledge

STYLING

- MSFID4004 Research and recommend furniture and accessories

RESIDENTIAL INTERIORS 1

- MSFID4002 Decorate residential interiors

AUTOCAD

- CUAACD302 Produce computer-aided drawings

VISUAL COMMUNICATIONS

- CUAILL501 Develop professional illustrations

ARCHITECTURAL HISTORY

- MSFID5015 Decorate Interiors for restoration projects

HARD MATERIALS + CONSTRUCTION

- MSFID5004 Specify structural elements, systems and services for interior spaces

COMMERCIAL INTERIORS

- MSFID5003 Evaluate site for interior design brief
- MSFID5013 Design for small to medium scale commercial or institutional interiors
- BSBDES502 Establish, negotiate and refine a design brief

LISA DINGELMAIER

"From an early age I have always been interested in art and design. After finishing an art degree in Austria, I moved to London to study illustration and visual media which sparked a passion for design. I followed my dream of becoming an Interior Designer and relocated to Sydney to develop my design skills. Not only has this experience opened a world of possibilities but has also provided the opportunity to meet people in the industry."
