
Our August Open Day in Melbourne is shaping up to be our biggest and best yet,with a schedule jam-packed with awesome activities, free creative workshops, VR experiences and info sessions!

You'll also have the opportunity to meet with our Course Advisors, teachers and Admissions staff to gain personalised advice about your study options or get feedback on your portfolio.
Check out the schedule below to plan your visit and get the most out of the day!

TIME	ACTIVITY
10:00am	Doors open!
10:10am – 10:25am	Welcome to AIT – Presentation
10:30am – 11:30am	**CREATIVE WORKSHOPS** Take part in one of our FREE 1-hour creative workshops to get a feel for what it's like to pursue your passion at AIT. All equipment will be provided. To save your seat in your preferred workshop, you will need to register upon arrival at Open Day. Please note that spaces are limited so first-come,-first-served. **2D Animation Workshop** Gain hands-on practice with Toon Boom to design and animate your own 2D character! **3D Design Workshop** Get a crash course in 3D animation using industry-standard software, Maya and learn how to animate cartoon favourite, Homer Simpson! **Film & Video Workshop** Work with greenscreen footage to incorporate your very own sound effects and VFX compositing using industry-standard software, Adobe Premier. **Games Workshop** Gain hands-on experience with the industry's most popular game engine— Unreal Engine. Make a terrain, spam some grass, spam some trees and rocks! **Mobile App Development Workshop** Got loads of ideas for mobile apps and want to know how to bring them to life? In this workshop, you'll gain some basic skills in programming – a fundamental skill needed to create awesome apps.
