Ramco Systems Selects Qlik Sense To Fit into Company Strategy for ‘Uber Cool’ User Interfaces For Simplified User Experience

Global OEM partnership embeds Qlik into Ramco’s Enterprise Resource Planning, Human Capital Management, and Aviation Maintenance & Engineering product suites

Radnor, PA and Chennai, India – December 4, 2015 – [Qlik®](#) (NASDAQ: QLIK), a leader in visual analytics, and [Ramco Systems](#), a global enterprise software company focusing on enterprise cloud platform, products and services, today announced their global OEM partnership. Through this partnership, [Qlik Sense®](#) and its rich visual analytics capabilities will be embedded into the Ramco DecisionWorks® Analytics platform across all three of its product suites – Enterprise Resource Planning, Human Capital Management, and Aviation Maintenance & Engineering.

By integrating Qlik, Ramco’s hundreds of thousands of customers will be able to leverage the benefits of enterprise-ready business intelligence (BI) within Ramco’s Analytics platform. Now with just a few clicks, users will be able to see the whole story in their data, including historical patterns and correlations through engaging visualizations.

Mr. Virender Aggarwal, CEO, Ramco Systems, commented, “Enterprise applications can no longer offer a clunky and lifeless user experience and hope to compete in the market space. We, at Ramco, have been betting on building uber cool UIs which will simplify and make the user experience highly rewarding. For Ramco Analytics, we chose to integrate with Qlik Sense to offer a rich visualization experience to our users. The combination of a powerful analytics engine at the back end and a visually superior graphical visualization at the front-end is sure to appeal to our global clientele.”

Commenting on the partnership, Mr. Lars Björk, CEO, Qlik, added, “We are very pleased with the strategic choice Ramco has made in Qlik. This partnership responds to the growing demand from companies to transform their business with a powerful and flexible visual analytics platform. With Qlik Sense’s visual capabilities, organizations can successfully drive data-driven sales strategies and speed up operations.”

About Qlik

Qlik (NASDAQ: QLIK) is a leader in visual analytics. Its portfolio of products meets customers' growing needs from reporting and self-service visual analysis to guided, embedded and custom analytics. Approximately 37,000 customers rely on Qlik solutions to gain meaning out of information from varied sources, exploring the hidden relationships within data that lead to insights that ignite good ideas. Headquartered in Radnor, Pennsylvania, Qlik has offices around the world with more than 1700 partners covering more than 100 countries.

About Ramco Systems

Ramco is a fast growing enterprise software player disrupting the market with its multi-tenanted cloud and mobile-based enterprise software in the area of HCM and Global Payroll, ERP and M&E MRO for Aviation. Part of the USD 1 billion Ramco Group, Ramco Systems focuses on Innovation and Culture to differentiate itself in the marketplace. On Innovation front, Ramco has been focusing on moving towards Cognitive and Robotic ERP with features such as Mail It – a feature which enables users to transact with the application by just sending an email; HUB It - a one screen does it all concept built to address all activities of a user; Thumb It – mobility where the system presents users with option to choose rather than type values and Prompt It – a cognitive ability which will let the system complete the transaction and prompts the user for approval.

With 1600+ employees spread across 20 offices, globally, Ramco follows a flat and open culture where employees are encouraged to share knowledge and grow. No Hierarchies, Cabin-less Offices, Respect work and not titles, among others are what makes the team say, Thank God it's Monday!

Ramco Systems – Winner of ISG Award for Innovation; Winner of HR Vendors on the Year Award 2015
