Leading MRO, CAMO, Part Manufacturing and Fleet Management Support Provider,  
**GoAeroMx TRUSTS Ramco Aviation**

To implement Ramco's Aviation M&E MRO Suite 5.8 across all its legal entities

**Dallas, Texas / Princeton, New Jersey, UNITED STATES – August 13, 2020** – Global aviation software specialist, [Ramco Systems](#) announced that it will implement its flagship aviation software [Ramco Aviation M&E MRO Suite V5.8](#) for multiple business entities of U.S.-based [GoAeroMx](#), a leading provider of MRO, CAMO, Parts Manufacturer Approval (PMA), and Fleet Management support.

Ramco Aviation Software offers a comprehensive suite of modules such as Engineering and Maintenance, Supply Chain Management, MRO and Part Sale, Manufacturing, Finance, and Accounting to address end-to-end needs of Aviation business. Designed to be accessible on cloud and mobile, the software will enable GoAeroMx to digitize its business processes, eliminate duplication of effort in recording daily inter-department transactions, and optimize PMA and document distribution processes.

Bundled with HUBs (role-based screens), Workflows, and Dashboards, the software provides a holistic overview of the entire operations in real-time, spread across multiple locations under a unified platform for GoAeroMx's executives and supply chain directors. With its mobile-based Apps, for Warehouse Anywhere, Tool Anywhere and Approve Anywhere, the solution will also make information available at any given point of time, enabling paperless operations.

The Texas-based company offers MRO, PMA, Fleet Management, inflight entertainment, and avionics upgrades services for the aviation sector. Their deep knowledge in regulatory compliance, program development, auditing, and in-service technical support requires a cutting-edge solution. Ramco Aviation will be implemented across all three diverse operations – [GoAeroMX](#) and two VIP transport category aircraft operations.

**Mike Glover, GoAeroMx VP of Sales and Business Development**, said, "We are excited to have enlisted Ramco to help us embark on our journey of digital transformation. Ramco Aviation MRO suite will not only allow us to integrate all our systems but also introduce us to next-gen technologies with enhanced user/customer experience and real-time visibility of our entire operations across our multiple entities. We are confident that the solution will benefit our overall efficiency."

**Virender Aggarwal, CEO, Ramco Systems**, said, "We are pleased to have partnered with GoAeroMx and look forward to working with them. With rapid expansion of business GoAeroMx required a robust suite that could supplement their next-gen avionics needs. Ramco with its rich functionalities and domain expertise, is glad to support them in closing the gap through a successful and seamless aviation suite."

[Ramco Aviation Software](#) is trusted by 24,000+ users to manage 4,000+ aircraft globally. Accessible on cloud and mobile, Ramco Aviation Software continues to innovate with '[Anywhere Apps](#)', significantly reducing transaction time both during aircraft-on-ground (AOG) conditions and critical aircraft turnarounds. Ramco is changing the paradigm of enterprise software with Artificial Intelligence and Machine Learning based solutions, powered by cool new features such as voice-based transactions on \*Google Assistant or Alexa, chatbots, mail bots, HUBs and cognitive solutions. With 80+ Aviation organizations onboard, Ramco is the solution of choice for several large airlines and top heli-operators and multiple MROs around the world.

**About GoAeroMx:**

GoAeroMx is a maintenance services company developed from worldwide operating and management experience of transport category aircraft. Their maintenance and technical operations team have a deep knowledge in regulatory

compliance, program development, auditing, and in-service technical support. Our experiences include working with multiple aviation authorities including BDCA, CAACI, EASA, FAA and TCCA.

GoAeroMx portfolio of global services and solutions include aircraft and pre-purchase, induction and maintenance check management, maintenance programs development, bridging and management, line maintenance, NextGen Avionics, parts logistics and procurement, engineering and contract labor services.

GoAeroMx holds Continuing Airworthiness Management Organization (CAMO) approval for Bermuda registered aircraft in accordance with the requirements of OTAR Part 39, Subpart E.

**About Ramco Systems:**

Ramco is a next-gen enterprise software player disrupting the market with its multi-tenant cloud and mobile-based enterprise software in HR and Global Payroll, ERP and M&E MRO for Aviation. Part of the USD 1 billion Ramco Group, Ramco Systems focuses on Innovation and Culture to differentiate itself in the marketplace. On the Innovation front, Ramco has been focusing on moving towards Active ERP leveraging Artificial Intelligence and Machine Learning by building features such as **Talk It** - which allows transactions to be carried out by simple voice commands, **Bot it** – which allows users to complete transactions using natural conversations; **Mail It** – transact with the application by just sending an email; **HUB It** - a one screen does it all concept built to address all activities of a user; **Thumb It** – mobility where the system presents users with option to choose rather than type values and **Prompt It** – a cognitive ability which will let the system complete the transaction and prompts the user for approval.

With 1800+ employees spread across 24 offices, globally, Ramco follows a flat and open culture where employees are encouraged to share knowledge and grow. No Hierarchies, Cabin-less Offices, Respect work and not titles, among others are what makes the team say, Thank God it's Monday!

**Only APAC vendor to be positioned in Gartner Magic Quadrant for ERP, Cloud Financials, Cloud HCM and EAM;**  
**Leader in NelsonHall's NEAT Matrix for Next Gen Payroll Services;**  
**Winner Global Payroll Transformation Project of the Year – 2019 by Global Payroll Association;**  
**Winner of 2018 ISG Paragon Awards Australia, for 'Best Imagination' Award**
