

MAZARS USA

TRANSPORTATION & LOGISTICS

August 2020

We know that these last few months have been tough on everyone and the Transportation & Logistics industry is no exception. Please check out our [COVID-19 page](#) for updates, thought leadership, and more on how to deal with the current climate. Mazars is committed to seeing you through these difficult times and helping you protect your business.

Below you will find featured articles, publications, podcasts and events of interest from the last 6 months as we have navigated the global pandemic. As always, we hope that you will find these items of value.

Stay safe,
Michael Rofman, Transportation & Logistics Practice Leader

Featured Article

What Will Transportation & Logistics Look Like in the Post COVID-19 Era?

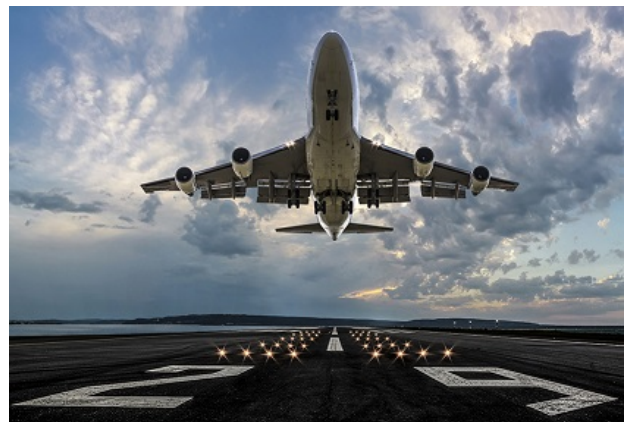

The impact of the COVID-19 pandemic on transportation and logistics has been heterogenous, largely due to the diversity of and vast number of players in the sector. The cards have not been dealt evenly.

Challenges for Airlines Under COVID-19

"It's a new dawn, it's a new day, it's a new life". These lyrics from the 1964 Feeling Good song seem highly relevant to the COVID-19 pandemic, which is forcing us to define a new normal. This is especially true for the global aviation sector, which was one of the industries hardest-hit by travel restrictions and lack of consumer confidence.
