

Eggnog Cocktail

FROM THE KITCHEN OF
DEBBIE MACOMBER

Cartons of creamy eggnog filling the stores mark the beginning of the Christmas season. You'll want to stock up to make this creamy, sweet drink on repeat this season! We love making this with creamy Rumchata rum, but any rum can be used.

Makes 1 Drink

Ingredients

- ¼ cup raw sugar
- 4 ounces eggnog
- 1 ounce Rumchata rum (or spiced rum)
- ½ ounce Kahlua liqueur
- Pinch nutmeg
- Ice
- Whipped cream, for topping
- Cinnamon stick, for garnish

Directions

Dip the corner of a paper towel in a small amount of the Kahlua, then rub around the rim of a tall glass. Dip the wet rim into a shallow dish filled with raw sugar.

Pour eggnog, rum, Kahlua, and pinch of nutmeg into the glass; stir gently. Add ice to fill almost to the top. Top with a dollop of whipped cream and a sprinkle of nutmeg. Garnish with a cinnamon stick. Serve immediately.
