

MAINE ADULT USE MARIJUANA RULES AND REGULATIONS

Please read carefully.:

You are personally responsible for your use of adult use marijuana.

Marijuana is currently illegal under federal law. By making a purchase at Sweet Dirt, you acknowledge that you have been informed of the following:

1. Everyone is different so remember, **START LOW, GO SLOW!**
2. You must be 21+ to purchase Adult Use Marijuana in Maine.
3. You may not consume or be under the influence of marijuana while operating a vehicle or heavy machinery.
4. Adults age 21+ may legally possess up to 2 ½ ounces of marijuana in Maine. However, you may not sell or accept any “donation” in exchange for marijuana.
5. Possession and/or use marijuana is prohibited on any federal land, including national parks and national forests. Maine national parks and forests are Acadia National Park, the Appalachian Trail, White Mountain National Forest, Katahdin Woods and Waters, Roosevelt Campobello in Lubec, and Saint Croix Island in Calais. National park rangers are federal law enforcement officers who follow federal law and not Maine law.
6. Possession and/or use marijuana is prohibited on any coastal waters. Coastal waters are governed by federal law, and the Coast Guard follows federal law, not Maine law.
7. Leaving the State of Maine with any marijuana product purchased here in your possession is a violation of Federal law, even if you are traveling directly to another state that has legalized marijuana.
8. Even though marijuana is now legal in Canada, you may be detained or disallowed entry if you attempt to take marijuana across the United States border.
9. You knowingly agree to waive, release, and discharge Sweet Dirt from any and all liability, including but not limited to liability arising from its negligence or fault, my personal injury, property damage, or actions of any kind that may occur while I am under the influence of marijuana and from liability for any criminal action that may be taken against you.
