## FAQS

**Q: Are any of the weight plates interchangeable between the cardio barbells?**

**A:** Yes, the ProElite Pump Plates will fit on the Studio Pump Set Bar. Since the Studio Pump Set is sold as a set only, the ProElite Pump Plates are a good option if you want to increase the total weight of the Studio Pump Set by using additional plates. ProElite Pump Set plates are sold separately in 2.5, 5, 10, and 20 lbs.

**Q: Is there a quick release collar option for the Studio Pump Set?**

**A:** Yes, the LockJaw 30mm (#50479) collar will fit on the Studio Pump Set bar and can be purchased separately as a quick release collar alternative to the spring collar.

**Q: Can you buy additional plate weights for the Studio Pump Set or the Reebok Rep Set?**

**A:** No. Currently the Studio Pump Set and the Reebok Rep Set are sold as sets only.

**Q: Will the ProElite Pump Set plates fit on the Reebok Rep Set Bar?**

**A:** No. The ProElite Pump Set plates have a larger diameter in the center and will spin freely on the Reebok Rep Set bar.
