OUR NDIS PACKAGES

The Banyans Health and Wellness is proud to offer short term accommodation for plan-managed and self-managed National Disability Insurance Scheme (NDIS) participants. This accommodation is provided in collaboration with external supports provided to the NDIS participant in working towards their long-term goals.

Short Term Accommodation

Short Term Accommodation is funded through the NDIS participants Core budget. Generally, NDIS fund up to 28 days of Short Term Accommodation per year. Our packages of Short Term Accommodation range from eight days to 28 days. During a participants Short Term Accommodation they will also be involved in daily activities which may include journalling, mindfulness, bush walks, pool, chess or cards. These activities are discussed with the participant and their plan manager (if applicable) to ensure their budget is used to pursue the goals in their plan.
