

**TO: Jacaranda Trace Club Members**  
**FROM: Nicole Bosco, Interim Executive Director**  
**DATE: January 4, 2022**  
**RE: COVID-19 Update**

---

This memo is to advise you that we have an Independent Living Club Member who has tested positive for COVID-19. This Club Member and their spouse, who tested negative, are stable and will both remain in isolation pending receipt of negative tests. There is no indication that the positive COVID-19 infection was contracted via a source at Jacaranda Trace. Contract tracing was conducted and no other Club Members were identified as exposed.

With the positivity rate increasing again in our county and state, please maintain the practices that have kept you safe throughout this pandemic. Please wear a mask and practice good hand hygiene.

Thank you all for your continued efforts to stay vigilant and safe!
