RE: COVID-19 /Coronavirus Update #47D Travel Protocols

For your convenience, the latest “hot spot” County list and map where the positivity rate is higher than 10% is attached.

Please remind your family members to check with Concierge Services in advance of their travel to ensure the County they are traveling from does not have a positivity rate higher than 10%.

As a reminder, the ONLY COVID-19 test we accept for entry into our communities is a Polymerase Chain Reaction Test, also known as a PCR test. Rapid antigen/antibody tests will not be accepted. Please share this information with your family and friends who are planning to visit, along with your private employees such as caregivers and housekeepers.

Thank you for your patience and continued efforts as we continue to navigate the holiday season during this pandemic.

Current Florida County Positivity Rate 10%+

County	Rate
Bay	11.0%
Calhoun	13.3%
