RE: COVID-19 /Coronavirus Update #47I Travel Protocols

While it is slowly improving, the state of Florida is still experiencing high positivity rates. Please have family members check with Concierge Services prior to visiting – especially if they are travelling from out of the area.

Anyone traveling from a county with a 10% or higher positivity rate is requested to wear a KN95 mask. These are now readily available on Amazon for purchase and speedy delivery. If for some reason, they are unable to obtain a KN95 mask, we will have some at the Concierge Desk.

Please remind your family as well as any private employees such as caregivers and housekeepers the ONLY COVID-19 test we accept for entry into our communities is a Polymerase Chain Reaction Test, also known as a PCR test. **Rapid antigen/antibody tests will not be accepted.**

As always, thank you and let's take care of each other.

Current Florida County Positivity Rate 10%+
