

EO Johnson Customer Portal

The EO Johnson Customer Portal is an easy to use interactive tool to access real time information on equipment, supply orders, service calls and more. Since this website is mobile friendly, you can view account information on multiple devices when you are on the go.

Some of the benefits using the EO Johnson Customer Portal include:

Service Calls

Submit new service requests and view pending, scheduled, dispatched and requested service calls. Search previous service calls to see history and technician remarks.

Supply Orders

Submit and view new orders, view picked orders, shipped orders, items on back order and canceled orders.

Account

View invoice history, account status, credit status and limit, and aging report.

Meter Reading

Record meters, view due meters and meter history.

Equipment

Search for equipment locations and ID numbers.

Want to sign up? Go to eojohnson.com, hover over the "Support" tab and select "Go Paperless" in the drop down menu.

HOW THE CUSTOMER PORTAL WORKS

 To sign up, go to eojohnson.com, hover over the "Support" tab and select "Go Paperless" in the drop down menu. Complete the Electronic Services form and click submit.

 You can easily access the Customer Portal by going to the EO Johnson website and selecting "Customer Portal" on the top navigation menu.

 Once you've signed up, log in with your secure credentials.

 Navigate the site for information related to your equipment fleet.

 It's that simple!
