PAINT FINISH

INFOSHEET

Standard Colors

Silver Gray (RAL 7001)

Anthracite Gray (RAL 7016)

Actual color may vary from this sample. Every printer and screen will change how the color appears. Please request a Free color sample.

Typically, carriage guardrails and enclosure columns are Anthracite Gray.

Enclosure panels and doors are gray.

Industrial Paint/Finishes

CIP Gray (Standard for the enclosures) and Anthracite Gray (standard for all carriages); All CIP paints and coatings are manufactured by a recognized world leader in industrial paints and coatings. CIP care-fully prepares each component to provide a strong attractive finish and superior corrosion resistance.

Standard powder or equivalent top coat, which provides durability while offering a clean and smooth appearance. It is de-signed for indoor environment applications only.
