

ennVee TechnoGroup Inc. acquires Kaladi Consulting Services to further enhance their offerings in the Enterprise Software space.

Naperville, Illinois (January 25, 2022) – ennVee TechnoGroup Inc., announced today that it is acquiring Kaladi Consulting Services, an Enterprise Solutions company specialized in Oracle Cloud, Oracle NetSuite, Mobility, RPA, Analytics, and Managed Services.

The purchase of Kaladi Consulting Services, based in Chennai, Tamilnadu, further expands ennVee's Enterprise Solutions offerings. "Joining forces with Kaladi will enhance and expand our Oracle Cloud, Oracle NetSuite, Oracle EBS, and RPA practices, allowing us to develop more versatile and effective solutions for our clients," said **Veera Venugopal** president of ennVee TechnoGroup Inc. "This acquisition is expected to increase our market share and equip our customers with a greater depth of resources," added Venugopal.

EVP, **Joe Bong**, said, "This acquisition allows us to provide end-to-end solutions for Oracle EBS, Oracle Cloud, JD Edwards, NetSuite, SAP, and Microsoft Dynamics. The ability to provide this suite of solutions will result in an increased level of support for our customers and competitive pricing."

The partnership with ennVee TechnoGroup will deepen Kaladi Consulting Services' existing offerings in the ERP space. "We are very excited to be joining forces with ennVee Technogroup, which has seen tremendous growth year over year. Our clients will continue to receive the same high-quality consulting and delivery work they've come to expect, with an expanded set of resources and service offerings now available," stated **Anand Kalidass**, President of Kaladi Consulting Services. Kaladi Consulting Services will continue to operate under that name and continue to focus on their existing markets in India, MEA, SEA & North America.
