

Materials needed:

- Large Paper Bag
- Bright Colored Construction Paper
- Scissors
- Glue

SAFETY FIRST!

1. Hold the bag flat with the open end down
2. Cut straight up the middle
3. Cut a hole for the head where the cut ended
4. Cut holes on the sides for arms
5. Taper the bottom edges
6. Glue strips of construction paper on the bag as reflective tape
7. Try it on!
