# Superhuman Vision™ for Content Moderation

AI-powered technology that removes all unwanted content with groundbreaking precision and speed.

## FULLY AUTOMATED MODERATION

—

Our AI moderation effectively removes offensive material faster and more accurately, enabling foolproof protection of your brand and audience.

## AI DESIGNED FOR EVERYONE

—

Our no-code interface makes it super easy for anyone to customize the level of moderation, refine existing concepts or create new ones.
## SAY GOODBYE TO LATENCY ISSUES

—

Moderate your content locally, without even needing an internet connection. The SDK integrates seamlessly into your systems, devices or your cloud.

## SUPERHUMAN PERFORMANCE

—

Our solution runs 15x faster than real-time on and comes pre-loaded with over 10,000 laser focused tags.
