

Rolajet™ SBF250

Blockout Roll-Up Banner

Rolajet™ SBF250 is a quick drying PP film based banner media, with a satin white finish and black light blocking PET middle layer.

Rolajet SBF250 is ideal for roll-up and pull-up banner graphics as well as hanging posters or banners requiring light blocking properties. The reverse side is also white, which adds to the overall aesthetics of the media.

Features

- Satin white face
- 250 micron thickness
- White backed Blockout
- Can be used for all indoor and short-term outdoor applications

Benefits

- Compatible with most solvent, eco-solvent and latex inks
- Quick drying, which will shorten production time
- Peace of mind that your customers will be satisfied with a quality product
