Harvest Festival

Central Coast

Event Information

Enjoy the views and warm your heart this June long weekend. Soak up the live music, free entertainment and celebrate our local produce from around the region. Follow our event trail, visit local farms, pick your own fruit and relax at our many event hubs. All event information can be found at centralcoast.nsw.gov.au/harvestfestival

Book and plan ahead

Be sure to look through the program and determine what activities you wish to visit. Unlike previous Harvest Festival events, the pandemic has meant that measures have been put in place to ensure the safety of the hinterland community and its visitors. Be sure to book ahead so you don't miss out on any of your favourite hubs.

Social Distance and Hygiene

It is essential that you take into the consideration and respect appropriate social distancing, practice good hygiene and follow the requirements of each location that you visit.

Drive safely

We urge people to drive safely throughout the Harvest Festival. Some key roads around event hubs will be affected over the weekend. Stick to speed limits and expect some delays with increased traffic around the area. There will be ample car parking at each location and remember to always look out for your mate and drive responsibly.

Shuttle Bus

Don't feel like driving? We recommend you look into the FREE SHUTTLE BUS service. These shuttles will enable you to have a stress-free day whilst travelling around the Hinterland to the many great locations. For more information on routes visit Harvest Facebook page or centralcoast.nsw.gov.au/harvestfestival

Whatever the weather

In the event of wet weather, check our [Facebook page](#). Keep up to date on our [Harvest Festival website](#) or stay tuned to Star 104.5 for updates.

Stay connected!

Stay up to date with all things Harvest Festival including sneak peaks, event information and much more! Like us on Facebook [@harvestfestcc](#) and follow us using [#harvestfestcc](#).

ATM and Cash Points

Some of our event hubs have limited access to cash points or ATM facilities as they are on farms or remote properties. Plan ahead and be prepared on the weekend, bring cash, so you can enjoy the many activities around the region.

We are celebrating our fantastic local produce from around the region. We ask all attendees to be respectful when visiting locally owned properties and farms, and we thank all the event hub partners who are opening their gates and giving us a glimpse of what they do every day.
