

THE ECSELL LEARNING PLATFORM

STEP 3 IN ECSELL'S 3-STEP PROCESS

The Ecsell Learning platform provides engaging e-learning targeted to each leader's unique coaching strengths and opportunities. Learning paths are individually customized so that each leader can focus on the exact activities and behaviors they need to improve, and the on-demand format means they can do it at their own pace. Team dashboards provide your leadership team with constant insights into progress and allow you to measure improvement against survey scores.

There are 50+ 100-level courses available, including:

- Using Feedback to Drive Improvement
- Creating Development Opportunities
- Supporting Smart Risk Taking
- Avoiding Micromanagement
- Structuring Your Commitments
- Articulating Strategic Direction
- Establishing Clear Expectations
- Leveraging Individual Strengths
- Creating a Growth Environment

CUSTOMIZED LEARNING FOR YOUR ORGANIZATION

Just like your leaders' development is unique, so is our partnership with you. Whether you are looking for a self-directed solution or a collaborative relationship, we work with you to find the right path.

SELF-DIRECTED PATH

A turn-key solution that gives your team full access to the Ecsell Learning platform, plus individualized reports and development paths for each leader

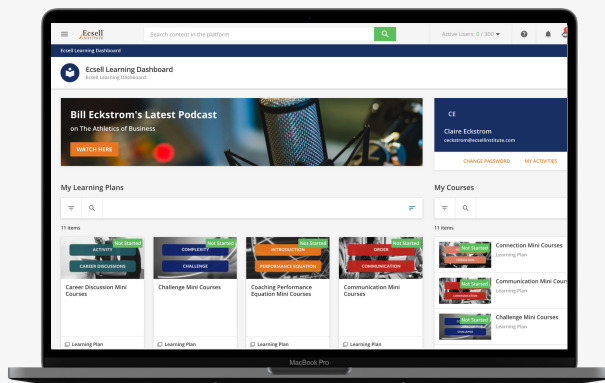

GUIDED PATH

A customized path that pairs all of the above with live education and in-depth consulting

INTEGRATED PATH

The best option for those that want to host our SCORM-compliant Ecsell Learning courses on their own LMS

Contact us for more details on each path.
