

Announcing the Arkansas Good Medicine Fellowship

A 12-week study program with a nine-month program development to make an impact on your community through an health care transformation project.

Program goals:

- Enhance leadership skills
- Improve understanding of how social factors affect health
- Disseminate strategies to implement trauma-informed care
- Teach methods to build team-based care
- Improve quality

Curriculum includes learning modules, case studies, assigned readings and discussions. The training will identify best practices for trauma-informed care for adverse

childhood experiences (ACEs), opioid abuse, mental health care and childhood obesity. This online program welcomes health care providers from all fifty states to apply.

Benefits:

- Receive a \$1,200/mo stipend for the year-long program
- Gain knowledge through the program curriculum
- Make a positive impact on your community
- Providers continue to practice while incorporating time to

participate in the fellowship program into their practice

Applicants must meet the following minimum requirements:

- Practicing two years as a MD, DO or PA
- Practice in the field of internal medicine, family medicine, general practice or pediatrics
- Medical license in good standing

Deadline to apply: **January 28, 2022** | Apply online: info.afmc.org/agm
