Special Business

To consider and, if thought fit, to pass the following resolutions, of which resolution 7 will be proposed as an ordinary resolution and resolutions 8, 9 and 10 will be proposed as special resolutions:

7. That, in substitution for any equivalent authorities and powers granted to the directors of the Company prior to the passing of this resolution, the directors of the Company be and are generally and unconditionally authorised pursuant to section 551 of the Companies Act 2006 (the “Act”) to exercise all powers of the Company to allot shares in the Company, and grant rights to subscribe for or to convert any security into shares of the Company (such shares and rights to subscribe for or convert any security into shares of the Company being “relevant securities”) up to an aggregate nominal amount of £941,861 representing one third of the Company’s issued existing ordinary share capital at 6 October 2020 provided that, unless previously revoked, varied or extended, this authority shall expire on the earlier of the date falling 15 months after the date of the passing of this resolution and the conclusion of the next annual general meeting of the Company, except that the Company may, at any time before such expiry, make an offer or agreement which would or might require relevant securities to be allotted after such expiry and the directors of the Company may allot relevant securities in pursuance of such an offer or agreement as if this authority had not expired.
8. That, subject to the passing of resolution 7 above, the directors of the Company be given the general power to allot equity securities (as defined by section 560 of the Act) for cash, pursuant to the authority conferred by resolution 7, as if section 561 of the Act did not apply to any such allotment, provided that this power shall be limited to:
 - 8.1 the allotment of equity securities in connection with an offer by way of a rights issue:
 - 8.1.1 to the holders of ordinary shares in proportion (as nearly as may be practicable) to their respective holdings; and
 - 8.1.2 to holders of other equity securities as required by the rights of those securities or as the directors of the Company otherwise consider necessary,

but subject to such exclusions or other arrangements as the directors may deem necessary or expedient in relation to fractional entitlements, record dates, legal or practical problems in or under the laws of any territory or the requirements of any applicable regulatory body or stock exchange; and

8.2 the allotment (otherwise than pursuant to sub-paragraph 8.1 above) of equity securities for up to an aggregate nominal amount of £141,279 representing approximately 5% of the Company's issued ordinary share capital at 6 October 2020),

provided that the power granted by this resolution will expire on the date being 15 months from the date of the passing of this resolution or, if earlier, the conclusion of the next annual general meeting of the Company to be held after the passing of this resolution (unless renewed, varied or revoked by the Company prior to or on such date), save that the Company may, before such expiry, make an offer or agreement which would or might require equity securities to be allotted after such expiry and, the directors of the Company may allot equity securities in pursuance of such an offer or agreement notwithstanding that the authority conferred by this resolution has expired.

This resolution revokes and replaces all unexercised powers previously granted to the directors of the Company to allot equity securities as if section 561(1) of the Act did not apply but without prejudice to any allotment of equity securities already made or agreed to be made pursuant to such authorities.

9. That, subject to the passing of resolution 7 above, the directors of the Company be authorised, in addition to any authority granted under resolution 8 above, to allot equity securities (as defined by section 560 of the Act) pursuant to the authority conferred by resolution 7 for cash as if section 561 of the Act did not apply to any such allotment, provided that this power shall be:

9.1 limited to the allotment of equity securities up to a nominal amount of £141,279 being not more than 5% of the issued ordinary share capital of the Company as at 6 October 2020; and

9.2 used only for the purposes of financing (or refinancing, if the authority is to be used within six months after the original transaction) a transaction which the directors of the Company determine to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice,

such authority to expire at the end of the next annual general meeting of the Company (or, if earlier, on the date which is 15 months after the date on which this resolution is passed) (unless previously revoked or varied by the Company in general meeting), provided that the Company may before that date make offers, and enter into agreements, which would, or might, require equity securities to be allotted after the power expired and the directors may allot equity securities under any such offer or agreement as if the power had not expired.

10. That the Company be, and hereby is, generally and unconditionally authorised for the purposes of section 693 and 701 of the Act to make one or more market purchases (within the meaning of section 693(4) of the Act) of ordinary shares of £0.10 each in the capital of the Company on such terms and in such manner as the directors of the Company shall determine, provided that:

10.1 the maximum aggregate number of ordinary shares that may be purchased is 2,825,582, representing approximately ten per cent. of the issued share capital of the Company;

10.2 the minimum price (exclusive of expenses) which may be paid for each ordinary share is £0.10;

10.3 the maximum price (exclusive of expenses) which may be paid for each ordinary share is an amount equal to 105 per cent. of the average of the closing middle market quotations of an ordinary share of the Company taken from the AIM appendix to the London Stock Exchange's Daily Official List for the five business days immediately preceding the day on which the share is contracted to be purchased;

10.4 this authority shall expire 15 months after the date of the passing of this resolution or at the conclusion of the next annual general meeting of the Company, whichever occurs first (unless previously renewed, varied or revoked by the Company in general meeting); and

10.5 the Company may, before such expiry of the authority granted by this resolution, enter into one or more contracts to purchase its ordinary shares under this authority, which would or might be completed or executed wholly or partly after the expiry of this authority and may make a purchase of ordinary shares in pursuance of any such contract or contracts as if such authority had not expired.

EXPLANATORY NOTES

SmartSpace Software plc

Annual General Meeting 30 October 2020

Resolutions 1-7 will be proposed as ordinary resolutions which means that, for such resolutions to be passed, at least 50 per cent of votes cast must be in favour of the resolution. Resolutions 8-10 will be proposed as special resolutions which means that for such resolutions to be passed, at least 75 per cent of votes cast must be in favour.

Resolution 1-4 Annual re-election of Directors

Resolutions 1, 2, 3 and 4 seek to re-elect Guy van Zwanenberg, Frank Beechinor-Collins, Bruce Morrison and Diana Dyer Bartlett as directors of the Company. These Directors have determined to stand for re-election at each Annual General Meeting notwithstanding the fact that the Articles of Association may not require this. Guy is Chairman of the Board and Remuneration and Nominations Committees, and a member of the Audit Committee. Frank is the Chief Executive Officer of the Company, Bruce is Chief Financial Officer of the Company and Diana is Chairman of the Audit Committee and a member of the Remuneration and Nominations Committees. Biographical details of the directors can be found in the annual report and accounts for the year ended 31 January 2020.

Resolution 5-6 Re-appointment of Auditors

The Company is required to appoint auditors at each general meeting at which accounts are laid. Since the last year end, the Company's previous auditors, KPMG LLP, have tendered their resignation and following a tender exercise, the board of directors of the Company is proposing that RSM UK Audit LLP, be appointed as auditors of the Company. RSM UK Audit LLP has expressed its willingness to act as auditor of the Company. Resolution 6 proposes that the Directors be authorised to set the auditors' remuneration.

Resolution 7 Authority to allot shares

This resolution relates to the authority of the Directors to allot shares and rights to subscribe for new shares. Under section 551 of the Companies Act 2006, the directors of a company may allot shares if authorised to do so by shareholder resolution. Resolution 7, if passed, will continue the directors' flexibility to issue new shares, although there are currently no such plans. Resolution 7 will, if passed, permit the Directors to exercise all powers of the Company to allot shares in the Company or to grant rights to subscribe for, or to convert any security into shares in the Company up to an aggregate nominal amount of £941,861 which represents approximately one third of the Company's issued ordinary share capital at 6 October 2020 (being the latest practicable date prior to publication of the notice of AGM). The authority will expire at the conclusion of the next Annual General Meeting of the Company after the passing of this resolution, unless previously varied, revoked or renewed by the Company in a general meeting of the Company.

Resolutions 8-9 Dis-application of pre-emption rights

These resolutions relate to the disapplication of pre-emption rights and are special resolutions. If equity securities are to be allotted for cash pursuant to the authority proposed to be given by resolution 7, section 561(1) of the Act requires that those securities are offered first to existing shareholders in proportion to the number they each hold at that time and otherwise in accordance with the technical requirements of the Act. There may be circumstances, however, when it is in the interests of the Company to be able to allot new equity securities or sell shares held in treasury (if any) for cash without first offering them to existing shareholders or otherwise than strictly in compliance with those requirements, for example to finance business opportunities. The authority proposed to be given by resolution 8 will allow the Directors to allot equity securities for cash without first offering them to existing shareholders in accordance with the Act, but limits such allotments to a maximum aggregate nominal value of £141,279 which is approximately 5% of the Company's issued ordinary share capital at 6 October 2020 (being the latest practicable date prior to publication of the notice of AGM).

In addition to the above, the Pre-emption Group Statement of Principles supports the annual disapplication of pre-emption rights in respect of allotments of shares and other equity securities representing up to an additional 5% of the issued ordinary share capital, to be used in connection with an acquisition or specified capital investment. The Pre-emption Group's Statement of Principles defines 'specified capital investment' as meaning one or more specific capital investment related uses for the proceeds of an issuance of equity securities, in respect of which sufficient information regarding the effect of the transaction on the company, the assets, the subject of the transaction and (where appropriate) the profits attributable to them is made available to shareholders to enable them to reach an assessment of the potential return.

Accordingly, and in line with the template resolutions published by the Pre-emption Group, resolution 9 seeks to authorise the directors to allot new shares and other equity securities pursuant to the authority given by resolution 7 for cash up to a further nominal amount of £141,279, being approximately 5% of the total issued ordinary share capital of the company as at 6 October 2020, only in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment, or which has taken place in the preceding six-month period and is disclosed in the announcement of

the issue. If the authority given in resolution 9 is used, the Company will publish details of the placing in its next annual report.

The Directors consider the authorities in resolutions 8 and 9 to be appropriate in order to allow the Company flexibility to finance business opportunities or to conduct a rights issue or other pre-emptive offer without the need to comply with the strict requirements of the statutory pre-emption provisions.

The Company does not currently have any plans to allot new equity securities for cash and these resolutions are to provide the Directors with flexibility to manage the Company's capital resources. This authority will expire at the conclusion of the next annual general meeting of the Company or 15 months after the passing of the resolution, whichever is the earlier, unless previously varied, revoked or renewed by the Company in a general meeting of the Company.

Resolution 10 Authority for the Company to buy back shares

This resolution authorises the board to make market purchases of up to 2,825,582 ordinary shares (representing approximately 10 per cent. of the Company's issued ordinary share capital). Ordinary shares so purchased may be cancelled or held as treasury shares. The authority will expire at the end of the next annual general meeting of the Company or 15 months from the passing of the resolution, whichever is earlier. The Directors intend to seek renewal of this authority at subsequent annual general meetings.

The minimum price that can be paid for an ordinary share is £0.10 being the nominal value of an ordinary share. The maximum price that can be paid is an amount equal to 5 per cent over the average of the middle market prices for an ordinary share, derived from the Daily Official List of the London Stock Exchange, for the five business days immediately before the day on which the share is contracted to be purchased.

The Directors intend to exercise the right only when, in light of the market conditions prevailing at the time and taking into account all relevant factors (for example, the effect on earnings per share), they believe that such purchases are in the best interests of the Company and shareholders generally. The decision as to whether any such shares bought back will be cancelled or held in treasury will be made by the Directors on the same basis at the time of the purchase. The Directors do not have any present intention of exercising the authorities conferred by this resolution but they consider it desirable that the authorities are in place so that they can more readily take advantage of possible opportunities.

Effects of COVID-19 on the AGM

1. Shareholders should note that, in accordance with current Government regulations in relation to COVID-19, the Company will not permit Shareholders to attend the meeting in person. We recommend that all Shareholders vote on the resolutions in advance of the AGM by submitting a proxy form in accordance with the instructions in these notes.
2. Voting on the resolutions at the AGM will be by way of a poll rather than a show of hands. A poll ensures that the votes of Shareholders who have appointed proxies are taken into account in the final voting results.
3. Given the current restrictions on public gatherings, Shareholders are encouraged to appoint the chairman of the AGM as their proxy rather than a named person who will not be permitted to attend the physical meeting. For further information on how to appoint a proxy, please see notes 6 and 9 below.

Submission of proxy electronically

21. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST personal members or other CREST sponsored members and those CREST members who have appointed a voting service provider should refer to their CREST sponsor or voting service provider who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it relates to the appointment of a proxy, the revocation of a proxy appointment or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 7RA36) by the latest time(s) for receipt of proxy appointments specified in this notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to a proxy appointed through CREST should be communicated to the appointee by other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider take) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
