

Raise Cash for your Club

Plico Energy is passionate about community – and what’s more community than grassroots sports!

That’s why we created the Club Connector program: a unique way to help your club and protect the future of our planet.

How does it work?

Register your club at www.plicoenergy.com.au/clubconnector

We’ll provide you with a **unique link** to share with your members

For each member that joins* using your link, **we will pay your club \$250** (incl GST)

What is involved?

Registration is the biggest and first step.

We’ll send you a range of marketing material to help communicate with your members

Share and encourage everyone you know to sign up via your unique link to join the Plico Movement

What is it worth?

There’s no limit to how much your club could receive through the Club Connector program

Your members will save money, the club will receive valuable funds and together we’ll make a positive impact on the future of the planet

Register your Club today www.plicoenergy.com.au/clubconnector

plicoenergy.com.au Giving You The Power

* In order to receive the \$250, a prospective member must register via your unique page, join Plico Energy and have a system installed on their home or business to qualify. Payments will be made quarterly based on successful installations. Prospective Member must not be known to Starling Energy at time of referral, or if known, have not had any engagement with Starling over the last 6 months.
