

Soft 275mm Curved Wall Brush - Red

SKU: B1056R

804548001990

Wall brush, 275mm, Polypropylene block (white only), with an exceptionally dense filling of fine crimped polyester, which holds water very well, and releases it slowly, making it an ideal wash brush. It has good side spread, rounded edges to avoid scratching, and a slightly curved face to accommodate uneven surfaces better. With its handle socket at a very acute angle, it is ideal for wall washing, or for the sides of vehicles. The B1056 can be used on its own, or may be connected to a hose using our water flow handles (see WFPLH3, WFPLH3EX, ALH18) and accessories. There is no resin set option.
