

## Professional Medium 300mm Angle Socket Broom - Black

SKU: B1907BLK

804548105513

300mm angle broom, Polypropylene block, filled medium Polyester 76mm out. The long, angled material and slim, narrow block makes for a light, agile broom, good for swift clearing of large areas, and great for getting into corners and rebates. Recommended handle ALH7 and PLH3. For a smaller version see B929, or a version that is not angled but with a shorter trim try B1906.
