

Industrial Stiff 330mm Yard Broom

SKU: B25/5
804548004458

Sherbro/Polypropylene mix heavy yard broom, 330mm round back, double handle hole. Hard wearing, and very effective. It performs somewhat better in wetter conditions than the pure Sherbro version B25, though it does not sweep smaller rubble quite as well. Good for all heavy outdoor work. Recommended handle, A54/2, TH54/2W. Consider also the BS4, P6 or P12. If this broom is going to be used continually, we recommend the BCL broom clamp.
