

Professional Medium 260mm Utility Brush - White

SKU: B884W

804548006131

260mm utility and sink brush, Polypropylene block, filled medium Polyester. This is a real must-have in any demanding kitchen. With a small surface area and short easily gripped handle, this is a really effective pot and board scrub and spot cleaner. It is perfect for cleaning off chopping boards, soft enough to get in grooves, not too flicky, resilient enough for a good scrubbing action without crushing. See also B1606, B1240, B1241, DW1090.
