

## Professional Stiff 254mm Short Handled Brush - Grey

SKU: D4GRY

804548101348

254mm, Polypropylene block, filled stiff Polyester. The D4 was one of the first all plastic hygiene hand scrubs made by Hillbrush some 45 years ago. It has been one of our most popular products ever since. This rugged brush is designed to work and to last. The angled material at the sides and front will allow cleaning in hard-to-reach corners, while the gripped handle is comfortable to use even in gloved hands. There is a resin set version, D4RES, and a softer version D5. See also D4MDX, AMD4 and D7.
