

Finest Stiff 237mm Deck Scrub

SKU: D93PWW

804548008036

237mm x 67mm wood backed scrub, filled white Polypropylene. A very good scrub, similar to the D93WW. While the D93WW is an even better scrub - it holds water better, and releases it more slowly - the white plastic in this brush does not colour the water (as natural materials are prone to do), or pick up and drop bits so easily. So if you have pristine decking that needs a good clean, this is your best option. Recommended handle, A48/1.
