

Finest Medium 610mm Platform Broom

SKU: H1/5
804548009521

610mm medium platform broom, wood back, filled Gumati fibre. Gumati is the best material there is for sweeping dust and light rubble, it is extremely durable, and does not crush or distort, and outperforms all other lighter natural materials, and plastics. It is really good for use on concrete and tarmac, in garages, warehouses and yards, best used in dryer conditions. Recommended handle, A54/2TAP. Consider using our SNB1 socket if the broom is likely to be used regularly. See also H1/3 or H1/9. A cheaper but effective alternative is the H12/5.
