

Industrial Medium 610mm Platform Broom

SKU: H12/5
804548009606

610mm medium platform broom, wood back, filled black Bassine/black Coco mixture. This brush is good for finer materials in dry conditions. The Bassine gives the soft Coco more resilience and durability. Mixtures like this, with varying filament diameters tend to sweep more effectively, too. Recommended handle, A60/2TAP. Consider using our SNB1 socket if the broom is likely to be used regularly. See also H1/5 and H4/5.
