

Industrial Medium 914mm Platform Broom

SKU: H5/9

804548010787

914mm medium platform broom, wood back, filled Bassine fibre. Bassine is used for sweeping mud and rubble in dry conditions. It is durable, and does not crush easily. This well made, well filled broom, with longer than average trim length, makes the best of Bassines advantages and is typically used on concrete and tarmac, in garages, factories, warehouses and yards, and a great deal in the construction industry. Recommended handle, A60/2TAP, or better still, try the SNB1 metal socket. For a cheaper Bassine fill, see H19/9.

Product Details	
Stock Material	Wood
Fill Material	Bassine
Product Length (mm)	920
Product Width (mm)	74
Product Height (mm)	130
Product Weight (kg)	1.7330000000000001
Trim Length	37
Country of Origin	GREAT BRITAIN
Fitted with Handle	
Fitted with Handle & Stay	
Handle Diameter	
Handle Type	

Product Use	
Wet	
Dry
