

70mm Medium Hanger - Brown

SKU: HOLD1BRN

804548057911

This 70mm wide hanger is designed to fit the RAIL500, but has two pre-drilled holes and may be used on its own. The HOLD1 will fit products 20mm - 30mm across, most products in our Food Service range. See HOLD2 for shovels and the larger ALH27, ALH8, PLH3, and paddles and shovels. The HOLD1 contains rubber, which can lose its elasticity or even break if repeatedly exposed to oil. If you need a hanger for use in an oily environment, try our hooks (HDHOOK1) or our one piece hanger(WLBR1), which are not affected.
