

1350mm Stainless Steel Handle with Polypropylene Grip - Red

SKU: SSH2R

804548017229

Type 304 stainless steel handle, 1350mm, with coloured hanging grip. Our standard handles like the ALH7 and ALH8 perform very well in normal circumstances. While our stainless steel handles are heavier and more expensive than the standard ones, they are also much stronger. Stainless steel handles are typically used in highly corrosive environments, or where there is an outside requirement for sheer strength, or where the handle is likely to come into constant direct contact with food, or where an aluminium or plastic pole is likely to be scraped on stainless steel edges. This handle fits all hygiene brooms and squeegees.

Product Details	
Colour	Red
Bristle Stiffness	NULL
Stock Material	Stainless Steel, Polypropylene
Fill Material	
Product Length (mm)	1349
Product Width (mm)	31
Product Height (mm)	31
Product Weight (kg)	0.5939999999999997
Trim Length	
Country of Origin	GREAT BRITAIN
UK Regulation Compliance	
Resin Set	
Metal Detectable	
Antimicrobial	

Product Use	
Minimum Usage Temperature	-18
Maximum Usage Temperature	79
Food Contact	YES
Chemical Tolerance	

Product Care	
Care Instructions	
Autoclave up to 134 deg	
Machine Washable	
Temperature Tolerance	
Storage	

Sustainability	
Recycled Content	
Biodegradable	No
Recyclable	No

Packaging	
Pack Size	12
Individual Product Packaging Description	
Packaging Length	1385
Packaging Width	135
Packaging Height	90
Packaging Volume
