

## Food Safety Compliance

Our customers and authorities are required to supply documentation that demonstrates that they comply with all areas of food safety. The colour coding of cleaning tools is one area of compliance to which they must adhere. Hillbrush Products comply with:

All Hillbrush products are made using FDA Approved raw materials.

Code of Federal Regulations

21 CFR 177.1520

21 CFR 176.170

21 CFR 177.1660

21 CFR 177.1500

### European Commission Regulation (EC)

Hillbrush products comply with the requirements of the European Commission Regulation 1935/2004/EC (Framework Regulation). Regulation 2002/72/EC. Regulation 2023/2006 and Regulation 2016/1416(EC) that replaces 10/2011(EC) and any subsequent amendments, and updates. **Under Regulation 2016/1416(EC) Materials intended to come into contact with foodstuffs are not allowed to transfer toxic substances via migration when in contact with food. Hillbrush products are specifically designed for the food industry, and are 100% compliant with this requirement. All of our products have been tested by a certified laboratory, furnishing documentation that our products are complying with the migration limits laid down by EU legislation, set up under regulation 2016/1416(EC).**

### FEIBP (European Brush ware Federation) (PHB Hygiene Charter GB – 700)

Hillbrush products comply with the European Brush Manufacturer's Professional Hygiene Brush Charter, which promotes high quality professional brushware, and confirms that the products comply with all existing Hygiene Regulations. Registration Number GB -700.

### Chemical Resistance

Concerning the chemical resistance of the plastics used in Hillbrush products, we confirm that the products resist all approved detergents and sanitizers according to the dosing and temperature usage recommendations. Please see out Chemical Resistance Chart.

### ISO Standards

The Hill Brush Company Limited is certified in accordance with ISO 9001-2015
