**Note:** Your current phone service provider will not allow the port of your numbers to Voice Telco Services without authorized signature from an account owner or administrator shown in their records for this account. By filling in the Signature field above, you agree to use an electronic document and an electronic signature. You understand that electronic signatures are legally binding in the United States and other countries. A faxed copy of the signature will be considered an original.

**Please return a completed form with a copy of the MOST RECENT telephone bill from your current service provider to the contact information below.**

**Contact your Sales representative.**

## **IMPORTANT instructions for completing the number porting request :**

- Please DO NOT contact your current service provider to disconnect service, as this will stop the porting process. You must keep the service until the porting process is complete.
- Please remember it is your responsibility to disconnect your service with the old service provider AFTER the port has been completed.
- Please DO NOT make any changes to your current account with the provider as it could cause complications.
- Please ensure that your account balance and any outstanding charges ARE paid off with the current provider or the provider will not release the numbers to us.
- Please make sure you DO NOT have DSL services or ALARM systems on ANY of the numbers you request ported to Voice Telco Services. You will lose the DSL service. Contact the current service provider BEFORE submitting this form to Intermedia if you are not sure. We are not able to check this for you.
- Please fax over your MOST RECENT local telephone bill with this form. The bill must show your name, billing and service addresses, all telephone numbers you wish to port, and the name of your current telephone provider.
- A separate "Letter of Authorization" is required for each account if you are moving local numbers from multiple accounts with the same phone service provider or different providers]

## INSTRUCTIONS FOR PARTNERS:

**(Please remove this page before sending form to customer)**

Thank you for your choice in porting your customer's current telephone number(s) to us. We ask that you please read and follow all instructions on this form, so we may port their current number(s) to our service.

- Ensure that an order has been created for this opportunity, and that you have received an email with the account information and the Footprints case for the opportunity. A LOA form will have been sent to you as part of the email messaging if numbers have been requested to be ported.
- Please ensure that all information provided to Intermedia (name, address and phone number) on this form EXACTLY matches the information on your customer's current local telephone bill.
- Please return the completed and signed form and a copy of the customer's MOST RECENT local telephone bill via one of these methods. The bill must show their name, billing and service addresses, all telephone numbers they wish to port, and the name of their current telephone provider.
  - Reply to the Footprints case email and attach the two documents to the email message
  - Email the documents to your sales support team

If faxing or emailing, please note the FootPrints case associated with this request in the communications
