ComSource Technology Portfolio

ComSource
People • Technology • Possibility

Collaboration Solutions

Voice
- Business Phones & VoIP
- Unified Communications

Video
- Video Conferencing
- WebEx Meetings & Teams

Messaging & Presence
- Notification & Instant Messaging
- IP Paging
- Emergency Notification

Internet of Things (IoT)
- Video Surveillance & Security
- Physical Access Control
- Identity Management
- Connected Transportation

Cloud Collaboration
- Hosted Email
- Hosted Voice
- Video Conferencing

Data Center Solutions

Servers & Virtualization
- Server & Application Optimization
- Desktop & Application Virtualization

Data Protection
- Archiving, Backup, Recovery & Replication
- Disaster Recovery Planning & Automation

Networking
- Software Defined Networking
- Power Distribution & Backup
- Cooling
- Route & Switching

Storage & Converged Infrastructure
- Performance & Capacity Optimization
- Mosaic Oracle Performance

Cloud Data Center
- Backup & Archive
- Disaster Recovery
- Desktop Virtualization

Networking & Mobility Solutions

Enterprise Networking
- Local Area Network Assessments
- Network Performance Management
- Software Defined WAN
- Comprehensive Interconnect Services
- Wired Identity Services

Wireless
- WLAN Site Survey/WiFi Planning
- Endpoint Mobility Management (EMM)
- Wireless Identity & Guest Services
- Wireless Analytics/ User Behavior Analytics
- Residential Networking Services

Cloud Networking
- Networking as a Service (NaaS)

Cloud Wireless
- Hosted Wireless

Security Solutions

Breach Prevention
- Policy Review & Development
- Assessments
- Regulatory Compliance
- Cyber Awareness Training

Incident Management
- Threat Management
- Vulnerability Management
- Identity Management

Incident Response
- Log Management/Review
- Ransomware Mitigation
- Crisis Management

Physical Security
- Video Surveillance & Security
- Physical Access Control
- Identity Management

Services & Support Strategies

Cloud Services
- Collaboration
- Data Center
- Networking
- Wireless

Managed Services
- Remote Managed Services
- IT Asset Tracking

Professional Services
- Implementation
- Training
- Staging & Integration
- Network & Infrastructure Assessments
- Planning & Design Services
- Project Management

Financial Strategies
- Hardware Leasing
- Lease Buy backs
- Direct Funding
- IT equipment refresh
- Asset management & tracking
- FMV Leasing options

Partner Portfolio
