

How to make the most of the virtual session

Find a quiet place to dial in from

Limit wi-fi use during the session

Use a headset for best sound quality

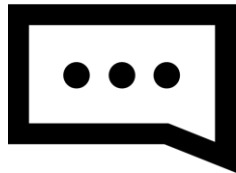

Mute your mic when not speaking

If dialling in by phone use *6 to unmute

If quality is poor, try turning off video

Use chat to ask a question (group view)

Use raise hand to ask a question

Contact orxevents@orx.org to ask a question anonymously

Contact support@orx.org if you have any technology issues

To help us manage discussions, please nominate a lead speaker from your firm
