

ORIGINAL EQUIPMENT MANUFACTURERS (OEM) SPARES

Keeping operations running smoothly

DistributionNOW is a global distributor to oil and gas and industrial markets around the world with a legacy of over one-hundred and fifty years.

We stock and distribute a comprehensive offering of energy products as well as selection of products for industrial applications including fluid end expendables, instrumentation & measurement, pumps and spares, butterfly and gate valves and drilling spares. Our product offering is consumed throughout all sectors of the oil and gas industry – from upstream drilling and completion, exploration and production ("E&P"), midstream infrastructure development to downstream petroleum refining – as well as chemical processing, mining, utilities, industrial and manufacturing industries.

GLOBAL SOURCING

Access to DNOW global stocks of OEM spares in addition to manufacturers' inventory

STRATEGIC PARTNERS

Established partnerships with the leading manufacturers in the Oil & Gas industry providing cost effective & efficient supply solutions

LARGE INVENTORY

Vast inventory stocks, available & held locally across global locations providing quick turnaround & reducing downtime

TECHNICAL SUPPORT

Specialist teams accessible across all OEM product lines with in-depth, expert, technical product & industry knowledge

PRODUCT RANGE

We have a vast product and service range which has been influenced by and developed specifically for the industries we serve. Continuous reviews and monitoring of these industries allow us to expand our product portfolio to provide the best solution to our clients. We specialise in supply and technical support for onshore and offshore energy, petrochemical, process & marine applications:

- Fluid End Expendables
- Drilling Spares & Handling Tools
- Instrumentation/Measurement
- Butterfly Valves
- Gate Valves
- Instrumentation Valves
- Mud Pumps Spares
- Centrifugal Pumps & Spares
