

# Unearth Data-Driven Insights

Deeper Contract Analysis for Improved Insight into Risk, Compliance, and Business Performance

## Better Data Drives Automation and Compliance

Adlib's AI-powered solutions are helping heavily regulated companies, including Financial Services, Pharmaceuticals, and Manufacturing fully automate the discovery, classification, and intelligent extraction of vital data from contracts. Automation increases operational efficiency, accelerates time to value from M&A activity, and provides full visibility into potential risks from changing regulations such as GDPR/CCPA, IBOR/LIBOR, and IFRS 16/17. That's the power of Adlib Insight.

## Hindsight Insight is 20/20
