Ardent Learning is Named “Company to Watch”
Training Industry Inc. awards training outsourcing recognition

ROCHESTER, N.Y. – Ardent has once again been recognized as an “Organization to Watch” among training and outsourcing providers. For almost three decades, Ardent has partnered with businesses to help solve challenges and drive results through learning, and they are honored to be recognized as a trusted partner for the clients they serve.

President at Ardent Learning, Jed Sherman, shares, “The Ardent team is thrilled to be recognized again as a leader in the learning solutions space. We continue to focus on providing incredible client experiences and driving results for the organizations we partner with.”

The Training Industry organization serves as a trustworthy source for companies seeking information on learning, development, and training services. Their annual recognition of industry-best organizations provides valuable insights for buyers evaluating training and development suppliers.

Selection of for the Top Training Outsourcing Companies List was based on the following criteria such as industry visibility, innovation and impact, capability of delivering multiple types of training services, company size and growth potential, and more.

Ardent looks forward to continued leadership in the learning and development industry, with a renewed focus on helping organizations transition to custom remote learning solutions to meet their changing learner and business needs.
