

“CELEBRATING LIFE, SAFELY”

UPDATED June 2, 2021 (Cleveland, Ohio)— Busch Funeral and Crematory Services’ priority is the safety, well-being and health of the families we serve, our dedicated professional staff, and our communities. Throughout the pandemic we have remained committed to following guidelines set forth by the state and the CDC. With this, individuals who have been fully vaccinated for COVID-19 are no longer required to wear a face covering. For individuals not fully vaccinated, face coverings will still be recommended. We will continue to follow the safety precautions based on the wishes of the families we serve. Busch guarantees all families that we can respond to your unique requests.

“A meaningful funeral celebration is about saying hello on the pathway to goodbye.”
