

## Aaron Lee

Aaron Lee is a Certified Emotional Intelligence Trainer with years of training experience within Asia and even in the United States. He has delivered and facilitated emotional intelligence workshops and training programs to over 1,000 participants. He is a high-energy speaker with upbeat humour in service, motivation, leadership, teambuilding, and communication programs. He has personally trained and coached employees from both MNCs and local firms in his areas of expertise such as emotional intelligence, service, motivation, leadership, communication, and team building.

Aaron was a senior trainer of AETNA (now ING Insurance) and his last appointment was the Head of Learning and Development for Guardian Pharmacy. He is fluent in English, Mandarin and Malay which enables him to easily engage any multi-racial crowd.
