

Sharma Kumari

Sharma is a Learning & Talent Development Specialist serving as Trainer-Facilitator, Coach and Consultant in Communication, Organizational Culture and Talent Management. She is also an established Emcee for corporate and private events, as well as a Public Speaker in developmental and motivational topics, apart from having been a Newscaster. Her wide industry experience stems from a 30-year career spanning Inter-Governmental Organizations to Multi-National Corporations / Public Limited Companies; and from Universities to Business Process Outsourcing (*industries include broadcasting, education, investment holding, event management, professional membership & shared services*). With her deep understanding and hands-on experience of Learning & Development, Sharma progressively moved on to Talent Development. This involved the spectrum from talent identification to role readiness for succession pipeline, leadership and high potentials utilizing behavioral tools, Assessment Centre and 360 Degree Surveys.
