

# Granular Education Module (GEM)

Accelerating Transformation Through Learning™

**ansrGEM**  
Accelerating Transformation Through Learning™

# Why ansrGEM?

---

Presents just-in-time learning in short, manageable bursts

---

Designed for the average learner's attention span of 7 – 15 minutes

---

Adopts a journalistic approach of integrating current topics and trends

---

Simplifies difficult topics in a way that is accessible and easy to understand

---

Well-researched and action-oriented

---

Information is presented through a culturally and globally inclusive lens

---

Actively incorporates current best practices in adult and online learning

---

Built around learner choice and flexibility

# Is the ansrGEM experience for me?

If any of these apply to you as a learner or L&D leader, it absolutely is!

1. You are looking for quality off-the-shelf training content for your learners.
2. You are tired of spending \$\$\$ on designing custom courses. You have considered purchasing something off-the-shelf if it met your needs and alleviated the cost of keeping both content and delivery mechanisms updated.
3. You would appreciate access to an evolving pool of SMEs who are carefully vetted to ensure our content comes from a meaningfully representative pool that showcases true cultural and ideological diversity.
