

## PROPERTY OWNER/MANAGER CONSENT

The tenant ("Tenant") named on this form has requested that Franklin Energy Services, LLC ("Contractor"), acting on behalf of Public Service Company of New Mexico ("PNM"), perform a PNM Home Energy Checkup ("Checkup") for the property ("Property") where the Tenant resides (i.e., the "Property" identified on this form). As part of the Checkup, the Contractor may install energy efficiency measures that are subsidized by PNM. These measures may include up to 40 efficient light bulbs, a programmable thermostat, up to two efficient-flow showerheads, an LED nightlight, two smart power strips and up to three faucet aerators. By signing this document, the owner or manager of the Property (the "Property Owner/Manager") consents to installation of such measures in the Tenant's unit.
