# NATIONAL DONATE LIFE MONTH

## **EVERYDAY HEROES HELP END THE WAIT**

April is **National Donate Life Month!** Nevada Donor Network invites you to join us in educating and empowering Nevadans to save and heal lives through organ, eye and tissue donation.

### **Here are some of the ways your team can get involved:**

1. Share the enclosed social media content and graphics
2. Create a team and participate in our Hope Glows Fun Run/Walk (participate from anywhere)
3. Share a press release about your partnership with Nevada Donor Network
4. Share videos and photos from team members about their connection to donation, why they are registered to be a hero, etc.
5. Share photos of your team participating in National Donate Life Blue & Green Day (Friday, April 16th, 2021)
6. Share the digital flyer with your team

We truly appreciate your support and desire to bring awareness to our lifesaving and healing mission.

With #DonateLife Love,

### **Post 1:**

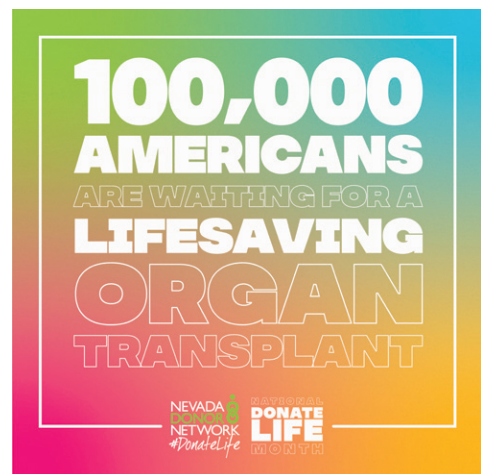

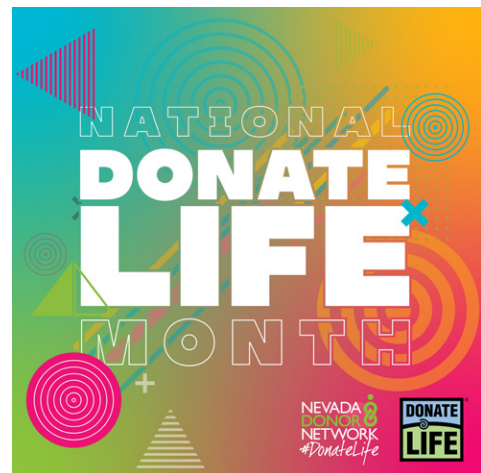

Happy National Donate Life Month!  
We're honored to support @Nevada Donor Network and their mission to save and heal lives through organ, eye and tissue donation. Do you have the heart to bring hope to the almost 600 Nevadans waiting for the second chance? Show off your hero status by dropping a red heart in the comments below! Not registered? Register here: [www.registerme.org](http://www.registerme.org)

### **Post 4:**

One of the most common questions we hear about registering to be an organ, eye and tissue donor is, "Will first responders work as hard to save my life if they know I'm a registered donor?" Your life always comes first. If you are sick or injured, our priority is always to save your life. Donation is only considered after all life-saving efforts have been exhausted. What's your 'WHY' when it came to getting registered? If you haven't made that decision, we encourage you to become a hero now: [www.registerme.org](http://www.registerme.org)
