## Give the Gift of Mosquito Protection!

As you prepare for the holidays, consider pre-ordering our newest service. [Company Name] has teamed up with Thermacell to bring you a revolution in mosquito protection, the LIV Installed Repellent System.

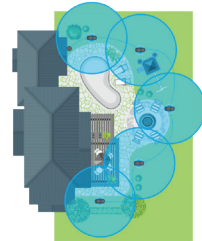

## Pre-Order Today!

Arriving in February 2022, the LIV System will help you reclaim your outdoor spaces from the dangers and nuisance of mosquitoes. We will install and maintain the LIV system, so you don't have to think about it.

### Powerful Protection Customized to your Outdoor Spaces:

The LIV Installed System provides protection when and where you need it: pools, patios, hardscaping, and play areas. It provides consistent mosquito protection day in and day out.
