## A New Service We're Excited to Offer

[Company Name] has partnered with ThermoCell to bring you advanced mosquito protection for your outdoor spaces.

### Consistent & Worry-Free Protection:

The LIV System is installed and maintained by us and provides consistent and long-term freedom from the nuisance and risks of mosquitos. LIV is built-in and provides protection when and where you need it: pools, patios, hardscaping, and play areas. Control your LIV System with a few taps in the LIV+ app. Set a schedule, shut-off automatically and more.
