

THERMACELL

LIV™

INSTALLED REPELLENT SYSTEM

Early Access to our Newest Service!

As a loyal customer of [Company Name], we're excited to offer a chance to pre-order our newest service, a revolution in mosquito protection, the LIV Installed Repellent System. The LIV system provides long-lasting and highly effective protection from mosquitoes, customized to your outdoor spaces.

Pre-Order Today!

Arriving in February 2022, the LIV System will help you reclaim your outdoor spaces from the dangers and nuisance of mosquitoes. We will install and maintain the LIV system, so you don't have to think about it.

Reclaim your outdoor spaces in 2022 with the LIV Installed Repellent System. Contact us to learn more.

Powerful Protection Customized to your Outdoor Spaces:

The LIV Installed System provides protection when and where you need it: pools, patios, hardscaping, and play areas. It provides consistent mosquito protection day in and day out.
